Sir,

With reference to your letter No. 2229 forwarding a copy of letter No. 4827 dated 19.9.98 from the First Assistant to the Resident, I have the honor to state in reply as follows:-

1. The Resident having requested that the Lady Doctors should be employed for inspection purposes at Yesvantpur and Harihar, two were appointed and house accommodation was naturally required for them.

2. As far as I know they were empty.

3. They were asked for by me, and were not offered by the Railway. When permission to occupy them was asked for, no mention whatever was made about rent, nor in the reply from the Railway authorities, granting permission

to

occupy the buildings was anything said, so far as I remember, about payment of rent. ?

4. The quarters are still occupied.

Sir

Adverting to your letter No. 4827 dated the 19th ultimo calling for certain information on the subject of the claim by the Niger Company for the property occupied by the Lady Superintendent of Hospitals & Government Nurses, Lagos, I am directed to reply as follows:—

(1) The Lagos Hospitals Authorities have employed [illegible] on duty in connection with the Medical Inspection Stations of Hausas & Government Nurses and

46 12

it therefore became necessary to provide them with house accommodation near at hand.

(2) As far as I know the quarters in question were unoccupied immediately before the arrival of the Labyrinthodonties.

(3) The Secretary of State for Defence asked for an explanation from the Regent's Park Railway. He believes that steps were taken by me to get the telegram with him - in the best of circumstances nothing was then said about it.

To

Dated Bangalore, 4th January 1899.

SIR,

Subt the Secretary.
It is difficult to understand why the Resident now considers the Darbar's views expressed in the letter 3464 illiberal, when in his letter 5868 dated 2/11/98, he distinctly & certainly supports those views.
PWP

With reference to the correspondence ending with your No. Pg 278 dated 27th October, I am directed to forward copies of the consulting Engineer's No. 13576, of 28th December 1898, with its accompaniment, in reply to this office's No. ~~5268~~ 5868 of 2nd November 1898, a copy of which is also attached.

2. The claim of the Southern Maharatta

Railway

Railway against the state, appears to be

a fair one, and I am to say that the

Resident regrets extremely the illiberal

view that appears from your No. 3464 of

12?

1st September to be taken of it by the State.

I have the honor to be,

Sir,

Your most obedient servant,

Copy of letter No 7943 A/11827, dated 3rd December 1898, from the Agent, Southern Mahratta Railway Company, to the Consulting Engineer for Railways, Bombay

---

In reply to your number 12791, dated 23rd November 1898, I have the honor to inform you that the rental charged for the quarters occupied by the Lady Apothecaries on Plague duty at Harihar and Yeswantpur is calculated at 6% on the Capital cost of the buildings and I regret my inability to reduce it.

2. This Company is anxious to do all in its power to suppress the spread of Plague and the amount it has already spent in this direction is so very considerable that it can scarcely be ~~suspected~~ expected to bear burdens other than its own.

~~that~~ which should be
debited to the State
In stating this view
the Disbursing intention
was to invite the

to the fact that
the appointments

were made by him
in places within his
jurisdiction, and
that the Durbar
which had sent the
Officers required
for these appoint-

already paying
their salaries and
allowances should
not be required to
pay also for housing
them within the
Railway premises for
the more convenient

view is correct, then
any rent which
had to be paid
I am to submit,
should be met
from funds at the
Residents' disposal

and not from the
State

2 Vs The Durbar
did not complain
of the rate of rent

Railway as excessive
They did not ask
for any reduction
of this rate. The
suggestion of rent

the Durban did not,
for obvious reasons,
wish to base their
action upon this
impression of their
officers - Their objection was not to the Case but to one of principle

accounts for no exemption from rent but pleaded they were not liable to pay it.

exemption from rent one of principle to a rent being charged not liable to pay it.

And
3rd The Durban

regarded the question as one for disposal according to the obligation involved and not on considerations of liberality. Hence their request in my letter of 12th September 1898 for the Residents' disposal of the Bill & the issue of other needful instructions.

In conclusion I am to add that the Duribas will gladly accept the Residents' decision as to whether he or the State should pay the Bill.
